- ✓ Economy, human capital, and labour market [Dalit Contini]
- ✓ Environment and sustainability [Raya Muttarak]
- ✓ Data and methods [Arjuna Tuzzi]
- ✓ Families and households [Raffaele Guetto]
- ✓ Fertility [Cinzia Castagnaro]
- ✓ Health, morbidity and wellbeing [Gaia Bertarelli]
- ✓ Historical demography [Francesco Scalone]
- ✓ Internal migration, depopulation and inner areas [Roberto Impicciatore]
- ✓ International migrations and migrant populations [Manuela Stranges]
- ✓ Life courses [Daniele Vignoli]
- ✓ Mortality and Longevity [Virginia Zarulli]
- ✓ Policy issues [Anna Paterno]
- ✓ Posters [Elisa Brini]

Authors are asked to provide (in English):

- a short abstract (max 200 words);
- three to five keywords;
- an extended abstract (2-4 pages) OR the full paper;
- full names, affiliations and e-mail addresses of all co-authors.

The conference will be held in English. At most 1 submission as presenting author is allowed.

Contributions must be submitted in PDF format through the submission system:
<https://www.conftool.pro/popdays2027/>

Submission deadline: **9 October 2026**.

Key dates

- 9 October 2026: submission deadline
- 18 December 2026: authors will be notified about the acceptance of their submission
- 20 February 2027: deadline for the early bird registration; all presenting authors must register by this date, otherwise the paper will be removed from the program, and the corresponding session rearranged

Please check that your name, affiliation, and email address, as well as those of your co-author(s), are correct.

If no presenting author is explicitly selected, the online system will automatically designate the first author in the list as the presenter. Please, ensure that the correct presenter is assigned.
